

Aurobindo Pharma receives final approval for Zaleplon Capsules

Aurobindo Pharma Limited is pleased to announce that the company has received final approval from the US Food & Drug Administration (USFDA) to manufacture and market Zaleplon Capsules 5mg and 10mg

Zaleplon Capsules are the generic equivalent of King Pharmaceuticals' Sonata® Capsules, which are indicated for the treatment of insomnia. Aurobindo is in the first line of generics and got the USFDA nod on the very first day post the expiry of the relevant patent and has already launched the product in the US market.

This is Aurobindo's 70th ANDA approval from the USFDA.
